PRAJWALAN'19

A National Level Technical Festival

About us:

Government College of Engineering, Amravati has been a pioneering educational institute for over 54 year. It boasts of students who have achieved excellence in the field of academics and organization. We believe our sincerity dedication and focus towards our goals.

PRAJWALAN, the technical festival of GCOEA has grown into India's most anticipated technical festival. What sets Prajwalan apart from other technical festival is devotion of students working for it and the urge to deliver the maximum. The competitions, events and the workshops have attracted nearly **15,000 students** from all over the country participating and showcasing their talents and excelling in their field.

From show like TVF, students performing Nukkad Natak to spread social awareness also flash mob to display dance skill, Prajwalan has witnessed lot of talents. Your little contribution will add huge confidence in us to take Prajwalan to a whole new level.

Why Sponsor Prajwalan?

- To form a nexus between the college and the alumni.
- To become a part of most prestigious event of our college.
- To give back to society by joining us in our social and educational initiatives.
- To take our alma mater to new and better heights.
