No. 19/Core Advisory Committee/2018/47
Date : 11th April, 2018

:Office Order:

Subject:- Constitution of Core Advisory Committee For Quality Improvement
of Technical Education in the State

Objective: A Core Advisory Committee (CAC) is a broad-based group with representatives from education, industry, and the community at large that actively assists in planning and implementing the Quality Improvement of Technical Education in the State. Core Advisory Committees collectively advise the Institutions and administrators on a variety of aspects of the program and provide valuable guidance. However, Core Advisory Committee do not have administrative or policy-making authority, but they serve as consultants / advisors in the education process. Core Advisory Committee shall assure the improvement in quality of the Technical Education in the state and ultimately leading to enhancement of employability and entrepreneurship of Technical Education System's Graduates.

The Directorate of Technical Education has decided to take this issue on priority basis and decided to formulate the core advisory committee to advice the directorate on the above matter.
