Summer Internship Program-2018 (Taking Technology to Society)

VJTI Mumbai announces an 8-week summer internship programme for addressing social issues using disruptive technologies. The internship offers challenging research problems in the area of Industrial Internet of Things (IIoT), Artificial Intelligence (AI), Machine Learning (ML), Big Data Analytics, Cloud Computing, Blockchain and Cyber Security. Selected students will get an opportunity to work on state-of-the-art Industrial IoT research platform provided by LTI under its Agrim 1Step CSR project to VJTI.

The summer internship opportunity is available to engineering students. It is designed to enhance awareness and research interest about advanced and emerging technologies and leveraging them for solving social problems. It provides unique opportunity to work with an interdisciplinary team of researchers from VJTI, industry partners and institutes of national importance. The internship offers a goal oriented exciting mini-project, mentorship sessions, support in research paper publications and the award for best intern. However, there is no financial assistance and support for hostel, travel and other living expenses.

Who Can Apply?

Students pursuing their engineering with outstanding academic background are encouraged to apply, with one page Statement of Purpose (SoP) and brief CV highlighting their academic performance and achievements.

Non-VJTI students should submit their application forms along with bonafide certificate issued by their college authority.

Criteria of Selection:

Applications will be shortlisted on the basis of their proposed technological solutions to the societal problems, novelty and feasibility of the implementation. VJTI will reach out to the selected candidates only through email.

Duration:

Internship program is for the duration of 8-weeks starting from May 28 to July 20, 2018. The duration may be adjusted depending on the examination/vacation schedule of the selected candidate.

Timeline:

Last Date for Application with SoP and CV	May 18, 2018
Announcement of Shortlisted Candidates (Via Email)	May 21, 2018
Internship Starts	May 28, 2018 (May be adjusted on request)
Internship Ends	July 20, 2018 (May be adjusted on request)

Application Format:

Application highlighting the area of interest should reach to "The Coordinator, Summer Internship 2018", on or before May 18, 2018. Students are also allowed to apply as a team. The application should clearly state the selected problem statement and its proposed solution. Application can be send by email at coe.cnds@vjti.org.in with subject "Application for Summer Internship 2018".
