## About Institute:

Government College of Pharmacy, Ratnagiri is the first and only Government Degree Pharmacy College in Konkan Region. The college was established in 2009 with a plan to develop the institute with a great infrastructure and a clear vision and objective, in its quest for a quality centre for learning, training and development of Human Resources. The institute has always been committed to train & develop itself as a value and need based quality education provider and technical consultant to the nearby Industries. Its ultimate goal is to produce qualified and competent professionals, responsive to the changing needs of the society at the National and International level and thus improve the health care of the community and the country.

Along with this the objective of the institute is to provide quality technical manpower to the industry in the State, to enable access to the best intellectual resources, to encourage faculties to develop coordination in academic and research activities of common interest.

## Goals of the Training Program:

- Provide opportunities for teachers in service, to exchange experience with their peers and learn mutually from each other;
- Provide a forum for serving teachers to keep themselves abreast of the latest advances in various subjects;
- Create the culture of learning and self improvement among the Teachers;
- Provide opportunities to further widen their knowledge and to pursue research studies, and
- Give an introduction to new methods and innovations in higher education and enlighten them so that the participants can in turn develop their own innovative methods of instruction.

## Who can attend the program:

- The full time teachers working on establishment of Government Degree and Diploma, Pharmacy institutes can apply. A certificate will be awarded to those who will complete the training program. TA, DA, Lodging and Boarding arrangement of participate shall be made by host institute. No application fees. Send application by email and submit the original copy at the time of registration.
- The number of participants is restricted to 25 only.
- Applications should reach to this college on or before 20 Jan. 2019
