ABOUT INSTITUTE

Govt. College of Engineering Karad is a premier institute in Western Maharashtra established in 1960 due to the efforts of Late Shri. Yashawantrao Chavan. The College is an autonomous institute and affiliated to Shivaji University, Kolhapur and is acting as a vital education center for many years. Technical Education Quality Improvement Program (TEQIP-III) – an ambitious project of Government of India., Govt. College of Engineering, Karad is one of them.

KARAD CITY

Karad city is situated on the confluence of rivers Krishna and Koyna and is well connected by rail and road (NH 4). Koyana dam is about 60 kms from Karad. The atmosphere of Karad in June is very pleasant. This place is 170 kms far from Pune and 70 kms from Kolhapur.

INTRODUCTION:

In technical education sector teachers, technical supporting staff and equipment play an important role. Technical Supporting staff is the backbone of the laboratories. On one side, we always look for resources and talk about resource crunch. On other side, knowingly or unknowingly lot of wastage of resources takes place. Therefore, resources need to be optimally utilized and that applies for human resources as well. Engineering colleges/ Polytechnics are undergoing tremendous changes in the era of globalization and technology explosion. On one hand there is pressure on the institutions to perform better and take steps so that maximum employment of their pass outs is assured. At the same time, there is also a need to enhance effectiveness and efficiency in using institutional resources to make the activities cost effective. There

is also pressure on the institutions to become autonomous and self-sustained in their activities.

OBJECTIVES OF THE COURSE:

The course aims at making the technical supporting staff aware of

- Training to all Non-Teaching staff experiments, management, maintenance of lab equipment
- Duties and responsibilities of supporting staff.
