

About Karad:

Karad is situated at the confluence of Krishna Koyana river, famous by the name 'Priti Sangam'. It is the holy city known as Dakshin Kashi of Maharashtra. With the vision of Former Deputy Prime Minister and first Chief Minister of Maharashtra Late Shri. Yashwantraoji Chavan, the special educational hub known as Vidyanagar was established which include Government Engineering, Polytechnic, Pharmacy, ITI and other colleges at single place very near to Karad city. The Karad is well connected by roads and rails. An Asian highway 47 passes through the city. Karad also has a Railway station on Pune Miraj rail route.

Government Polytechnic Karad.

Government Polytechnic Karad was established in the year 1957. It is located in the educational hub 'Vidyanagar'. The institute has good campus located very near to Karad City. The institute offers six diploma courses viz. Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics and Telecommunication Engineering, Instrumentation and Computer Engineering. The institute has well equipped laboratories and highly qualified and experienced teaching faculty.

About the Competition:

On the occasion of 75th year of Independence, Higher and Technical Education Department has decided to celebrate the event by organising Project Exhibition cum Competition of projects prepared by students of Polytechnics and Engineering Colleges. Objective behind this competition is to promote creativity, talent, innovativeness in the Diploma Engineering students across Pune Region. Project Competition is a tool to solve real life problems faced by society. It will be an opportunity for students to interact with Industry Persons, Academicians and fellow students to showcase their talents.

Rules and Regulations:

- 1. Open for all courses, all years and all Polytechnics of Pune region. Students passed out in summer 2021 can also participate in this competition.**
2. Projects could be in the form of models, actual working machines, software related, innovate ideas or any other type, as per curriculum guidelines of MSBTE.
3. Theme based projects such as energy saving, productivity improving, eco- friendly, cost saving, etc. falling under the scheme of Unnat Bharat abhiyan/ Unnat Maharashtra Abhiyan will be preferred.
4. An Institute can send any number of entries per program. However scrutiny committee may restrict the entries based on suitability.
5. Students who have completed 18 years of age should be fully vaccinated.
